

**For Immediate Release:**

**VEDANTA'S GREEN KIOSKS REACHED OUT TO 6500 PEOPLE FOR 'GREEN JHARSUGUDA'  
Jharsuguda: 01 June 2017**

Vedanta Ltd., Jharsuguda today launched its “Green Jharsuguda” Campaign which is aligned to the World Environment Day theme of 2017 ‘Connecting to Nature’. In a series of event planned over a span of 15 days coinciding with world environment day on 5th June 2017, Vedanta today launched a massive people connect through plantation program reaching out to the people with the message ‘Connect with Nature’ and work towards a greener Jharsuguda.

Today’s event was spearheaded by employee volunteers and PR-CSR of Vedanta Jharsuguda , who distributed 6500 saplings from its own nursery to people through 5 Green Kiosks at different locations in Jharsuguda namely Sunarimunda, Sarbahal, Manmohan School Square, Bus Stand square and Badheimunda. Fruit bearing and other key species of trees where distributed through the Green Kiosks which saw a massive turnout of people.

The event was inaugurated at Sarbahal by Mr. Dayanidhi Behera, Head Smelter Operations accompanied by other senior officials of Vedanta Jharsuguda. The team visited the entire kiosk to encourage people and volunteer to go for a massive plantation in Jharsuguda in the coming week. Speaking on the occasion Mr. Behera said “We believe in giving back to society and we are committed to make Jharsuguda Green and we will work with common people of Jharsuguda and our workforce to ensure the same. As a responsible corporate we have plans to roll out a series of campaign in city and rural areas to promote afforestation and to connect our self to nature. ”

Vedanta sources shared that it has already achieved around 5 lakh plantation in and around its operations and its afforestation campaign in public space will intensify in the coming days with series of events planned to this effect. It will partner people, its employee base, partner companies and various social organisations from the district to carry out the yearlong campaign to achieve its objectives.

### **Disclaimer**

This press release contains “forward-looking statements” – that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “should” or “will.” Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For us, uncertainties arise from the behaviour of financial and metals markets including the London Metal Exchange, fluctuations in interest and or exchange rates and metal prices; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different that those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements.
